

Ami Kevadiya

Frontend web developer

✉ amikevadiya05@gmail.com ☎ +61 435332531 📍 Sydney, Australia

Profile

With over five years of experience in front-end development, I am a skilled and innovative developer who has contributed to the design and development of numerous user-friendly and responsive websites. I am proficient in HTML5, CSS3, Less, Sass, JavaScript, jQuery and React, and have extensive experience in Shopify, WordPress, PHP and Grav CMS. With a solid understanding of web design principles and industry best practices, I have successfully managed multiple projects and delivered high-quality work products that meet or exceed client expectations. Additionally, my proficiency in wireframing, UX/UI design, and prototyping has enabled me to create visually compelling and intuitive user interfaces.

Professional Experience

Sr Frontend Developer

Apr 2022 – Jan 2023 | Surat, India

Nextnous

- Designed and developed multiple responsive and user-friendly websites using HTML5, CSS3, Less, Sass and JavaScript, consistently meeting or exceeding project deadlines and client expectations.
